

# GAIN 2019 – KENYA

*Sunday, August 4, 2019 to Saturday, August 10, 2019*

---

Greetings Delegates!

We, the GAIN 2019 organizing committee, would like to thank you for your interest in the third edition of the Gold Award International Network event, GAIN 2019, to be hosted in Kenya.

This remarkable event aims at bringing together alumni as well as representatives from both governmental and non-governmental sectors from different parts of the world who will have the unique opportunity to learn, interact and share ideas aimed at enhancing youth empowerment and implementation of Sustainable Development Goals (SDGs).

Please find attached the GAIN 2019 information pack. The pack contains general information, the country factsheet, event information and proposed itinerary. We have planned seven jam-packed days of an informative, engaging and adventurous experience that will prove to be memorable.

In terms of weather, kindly note that during the first week of August, we will be transitioning from the cold season to warmer weather patterns; hence we would advise that you pack some light and warm clothing together with outdoor gear. The weather tends to be chilly in the early morning and warm during daytime.

The charges are an all-inclusive fee of USD 350 per delegate for early birds and USD 380 for those who register after 22 June, 2019. The fee covers the conference materials, accommodation, transport, airport transfers, outdoor experiences (including community service) and meals. International delegates will be expected to pay for flights, travel insurance and visa costs (where applicable).

Please note that the official program runs from Sunday, August 4, 2019 to Saturday, August 10, 2019. Delegates wishing to arrive earlier or depart later than the stated dates are welcome to do so at their own cost.

The committee is working tirelessly to ensure your smooth travel and stay in Kenya. To register, please click on: <https://forms.gle/G4CCso3dVvWtVgKg8>
